

GENERAL INSTRUCTIONS

Who Must File: Corporations doing business in Iowa as financial institutions must file an Iowa 1120F franchise tax return. Financial institutions include state banks chartered in or out of Iowa, national banks, national association banks, federal savings banks, production credit associations, federally chartered savings and loan associations, trust companies, financial institutions chartered by the federal Home Loan Bank Board, savings and loan associations incorporated in another state, and any financial institution controlled by the Resolution Trust Corporation.

Tax Period End: Iowa considers every period end to be the last day of the month. If your period end is not the last day of the month, you must use the month end closest to the end of your accounting period. Report only the month and year on the Iowa tax form.

When to File: Franchise tax returns must be filed no later than the last day of the fourth month following the close of the financial institution's taxable year. Amended returns must be filed within three years of the due date of the original return. For 2012 calendar year filers, the return is due April 30, 2013.

Where to File: Mail your return to Franchise Tax Return Processing, Iowa Department of Revenue, P.O. Box 10413, Des Moines IA 50306-0413.

Additional Time to File: If 90% or more of the correct amount of tax due is paid by the due date of the return, then no late penalty will be assessed provided that the return is filed within six months of the due date. Any tax elections made on the return will be considered timely if the return is filed no later than six months from the due date. If an additional payment is necessary in order to meet the 90% requirement, you must pay using the Iowa Franchise Tax Payment Voucher, form 43-009.

Section 179 Expensing / Bonus Depreciation:

Iowa has adopted the federal provisions relating to increasing the expensing amount under section 179 of the Internal Revenue Code. The section 179 expensing amount for 2012 is \$139,000.

For any assets placed in service after September 10, 2001, but before May 6, 2003, Iowa continues to disallow the 30% bonus depreciation provisions of the federal Job Creation and Worker Assistance Act of 2002. In addition, Iowa does not allow the 50% bonus depreciation provisions for **assets acquired after December 31, 2007, and before January 1, 2013.** Form IA 4562A must be filed for these assets to account for the difference between Iowa and federal depreciation.

In addition, IA 4562B Iowa Depreciation Accumulated Adjustment Schedule is available on the Department's Web site and should be completed to record the cumulative effect of the adjustment and attached to the Iowa return.

Net Operating Loss Carrybacks: Iowa no longer allows carrybacks of net operating losses for franchise tax for tax years beginning on or after January 1, 2009.

Registration Information Changes: If applicable, please check the Mailing Address Change box on the franchise tax form and enter your new address. If you are changing the Federal Identification Number or the name of the bank, please send a letter prior to filing your tax return explaining the circumstances and the effective date of change. Send your letter to Bank Franchise Tax, Iowa Department of Revenue, P.O. Box 10456, Des Moines IA 50306-0456.
